

► October is National Co-op Month!

It's good to belong.

This month is a time to celebrate
YOU as a member-owner!

 **Golden West**
Connecting you to what matters most.

You are more than a customer at Golden West.

You are a member-owner in the cooperative.

You help elect a board of directors who guides the outcomes of important projects. When your co-op performs well financially, portions of your previous payments are allocated and eventually returned to you as capital credits.

National Co-op Month is a time to celebrate the vital role co-ops play locally. Cooperatives provide jobs, promote local spending, advocate for members, and invest in the communities they serve through donations, grants, and scholarships.

Meet Scott Schramm

Business & Cooperative Owner

KWYR cares about local people. So does Golden West.

Scott Schramm and his team represent area communities with four radio stations. Across their coverage area, they share local news, interview people in their community, report on sports, play music, host radio shows, and more. “Golden West is right across the street in Winner, right out our back door. When we need something, they’re here,” says Scott. “They all know us, and we all know them. Golden West has a small-town mentality, and so do we, which makes for a good partnership.”

Our members are our owners.
